PASSIONATE ABOUT MAKING A DIFFERENCE

At Indus Venture, we partner with sophisticated investors that are willing to take calculated risk by investing in early stage post-revenue startups and SMEs that pass through our due diligence process

We are group of mentors, investors and serial entrepreneurs from Silicon Valley, Edmonton, Austin, Lahore, New York and from Toronto. Since 1990, our group has mentored, invested or successfully exited from several US and overseas startups and businesses with multiples while helping others for investment and growth readiness. Group founder alone has invested in two success IT businesses in Silicon Valley with over \$500+ millions in revenues and ROI of 50 to 100x
